

KEEPIN' IT FRESH (AND CUTE)

SUPERBEE

Let's up your (food) wrapping game. You can keep your leftovers for later use in style, if you win our freebies this week. We're giving away ten sets of beeswax wraps by SuperBee Wax Wraps, each valued at B699.

Giveaway prizes courtesy of PassionDelivery (www.passiondelivery.com, fb.com/passiondeliverybangkok). The 24/7 online healthy food and living shop makes life much easier by allowing you to order quality food, drinks and healthy living products from different vendors, with just a few clicks. All are delivered to your door, wherever you are in Thailand. Choose from more than 800 products, including a huge selection of meats, seafood, wines, craft beers, skincare products and more.

PassionDelivery has some fine offerings in its healthy lifestyle section as well. As you would expect, they are sourced from passionate, high quality suppliers and SuperBee Wax Wraps is one of them. They provide reusable beeswax wraps, as an eco-friendly alternative to plastic wrap, in three different sizes and various prints:

These handcrafted wraps are so flexible. Use them to wrap up leftover veggies or fruits, cover food containers or keep bits and bobs neat. With cute prints on them, these wraps will spruce up your fridge too. After use, simply wash in warm water and hang up to dry. Each wrap can be reused for up to one year and is made of pure cotton fabric, pure OTOP-certified beeswax, organic coconut oil, and tree resin.

Our ten winners will each get an Owls & Bees Beginner set.
